From Reservoir to Markets

Recognized as leaders in their fields, Sproule and GPMi have formed a strategic alliance, integrating evaluation and advisory services across the entire oil and gas value chain.

Advisory

Sproule and GPMi have a long standing track record of advising clients on due diligence, valuations, and acquisitions and divestitures. Our combined experience allows us to assist clients frame the risk parameters and value drivers of key strategies and investment decisions across the oil and gas value chain, from reservoir to markets. This is anchored by a detailed understanding of technical and commercial considerations, underpinning our role as a trusted advisor.

Independent Opinions

With a strong understanding of both commercial and technical drivers across the oil and gas value chain, Sproule and GPMi provide reliance reports trusted by all stakeholders. From reservoir to markets, Sproule and GPMi provide a comprehensive understanding of key risks, upside potential and value opportunities for clients through due diligence reports and formal regulatory disclosure.

Field Development

Our partnership is responsive to clients' increasing need for a coordinated approach to field development planning. Through our combined expertise, we can provide a blueprint for field development strategies encompassing oil and gas infrastructure, production optimization and market access.

Training

To do anything, you have to know how, and to know how, you must be taught. Delivered through the Sproule Academy and founded on over four decades of experience, GPMi will join Sproule to offer hands-on courses covering the entire value chain, including the evaluation of oil and gas properties, field development, midstream assets and market access strategies. Our courses are tailored to meet the needs of different audiences, including technical, non-technical, financial and regulatory backgrounds, sharing best practices with clients worldwide.

Expert Witness

The protection of our clients' interests matter. Sproule and GPMi offer client support in dispute and conflict resolution for mediation, arbitration and litigation matters. We provide clients with concise and dependable information to clarify discrepancies and to support our expert witness testimony.
